EDUCATION

University of North Carolina at Charlotte | College of Computing & Informatics Charlotte, NC
B.S. Computer Science: Concentration in Cybersecurity | GPA: 3.25 December 2026
M.S. Computer Science: Cybersecurity December 2027

Wake Technical Community College Raleigh, NC
Information Technology: Computer Programming and Development | GPA: 3.4 July 2024

RELEVANT COURSEWORK

Data Structures and Algorithms - Studied fundamental data structures linking lists, trees, and graphs, in addition to algorithm design for efficient problem-solving.
Database Design & Implementation - Studied relational database concepts, entity-relationship modeling, and applied SQL to design and manage data systems.
Front-End Web App Development **-** Learned foundational principles of full-stack development, focusing on creating dynamic web pages using HTML, CSS, and JavaScript to build responsive and interactive applications.

WORK EXPERIENCE

May 2025 – July 2025: **Externship with Snap Inc.**

- Designed and developed a nostalgia-themed AR lens using Snap's Lens Studio platform.
- Explored creative interactive storytelling to build engaging AR user experiences.
- Expanded technical and creative skills in augmented reality design and innovation.

June 2023 – August 2024: **Day Shift Lead at Village Deli and Grill | Raleigh, NC**

- Led a five-person team, ensuring proper daily setup and a clean environment.
- Showed dedication to prioritizing customer care and satisfaction.
- Oversaw daily functions, ensuring accurate inventory management and smooth workflow.

June 2020 – July 2021: **Waiter at Charlotte Beer Garden | Charlotte, NC**

- Coordinated daily tasks, assisting in efficient operations and customer satisfaction.
- Showed multitasking ability managing various responsibilities in a dynamic, fast-paced environment.
- Provided prompt food and drink service, maintaining high standards under pressure.

PROJECTS

Custom Computer Build (Spring 24) – Designed and assembled a computer from scratch, including selecting components, configuring BIOS settings, and installing operating systems.

HONORS

Wake Tech Community College Dean's List (Fall 23, Spring 24) - Maintained a cumulative GPA of 3.5 or above.
Wake Tech Community College President's List (Spring 23) - Maintained a cumulative GPA of 4.0.
